

Future CLT Homes

The Sitka CLT is always looking for properties to add to its inventory for local, limited-income households. They will be built to SCLT specifications with contractor funding or through the buyer's construction loan.

Building Tomorrow Today

Sitka Community Land Trust

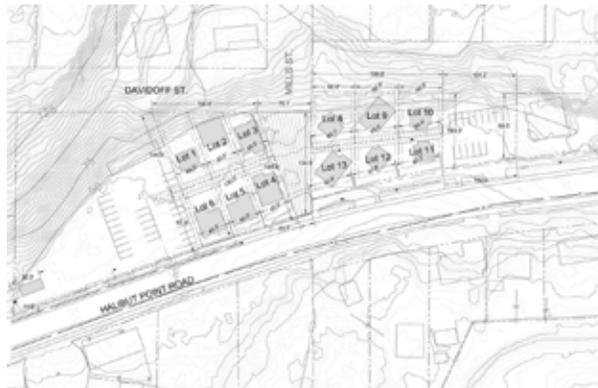

When a CLT home is initially sold, the land and the improvements are separated. As a homebuyer, you purchase and own the home and all improvements.

The Sitka CLT retains ownership of the land and leases it to you for 99 years (and you can pass it along to your children and it can be renewed for an additional 99-year term.) Homeowners will receive all the equity they have earned and one quarter the increased appreciation of the home, which will help to ensure a permanent supply of starter homes in Sitka.

How is a CLT home similar to a market-rate home?

As a CLT homeowner, you will have many of the same rights and responsibilities as any homeowner. You control the use of the home you own and the land you lease. You will be responsible for following the same rules as any homeowner, as well as for maintaining your home, keeping it insured, and for paying property taxes. You can stay in your home as long as you wish. Should you ever decide to sell your home, you will be able to keep the equity that is yours but there will be a price restriction in order to make sure the home remains affordable to the next limited-income homebuyer.

SITKA COMMUNITY LAND TRUST

Families are often surprised to find that monthly mortgage payments for homeownership are comparable to what they were paying for rent.

Sitka Community Land Trust (SCLT) was started by private citizens responding to the lack of affordable housing in the City and Borough of

Sitka. The program was created to provide permanently affordable housing for persons of low and moderate income in Sitka.

Many working families in Sitka are renting but would prefer to become homeowners. If you think you don't earn enough money to own a home, think again.

The Sitka Community Land Trust program was established to make home ownership available to working families in Sitka.

How does it work? You own the house your family lives in and the Sitka CLT owns the land on which your home sits.

Sitka CLT homebuyers must meet certain income requirements. The Household income must not exceed these guidelines, based on household size. For up-to-date guidelines, check the web at www.sitkactl.org or call us at (907) 747-2860.
